Wealthy from the Inside Out: Transform Your Wealth Story and Live an Abundant Life Now

Marcia Mariner, 508-450 7523, marciamariner@gmail.com

Time Frame: Nov.15

Subject: Heart-centered women who are part of the new wealth consciousness. Each speaker has transformed her own wealth story and is experiencing abundance in her outer life as a result of an inner awakening. This outer manifestation not only is an inspiration because you are accomplishing your divine assignment, but there is no separation from being of service in alignment with your soul, AND financially prospering as you serve the world in an inspiring, loving, creative and powerful way. This is a message to other heart-centered women who may feel stuck and know that they are meant for more. But they have yet to crossover and awaken to infinite possibilities in their lives. Or they are blossoming spiritually, but not prospering financially from their gifts. They may be stuck in survival mode and not know there is a way out. By interviewing you and sharing your transformational story, I hope to inspire and empower

others to awaken to their divine assignment and creative genius, to blaze THEIR unique trail and prosper from THEIR passion, just like you are doing. I want to provide the listeners with hope, and examples of what's possible. In addition, this summit will be packed with resources and connections to help anyone that is ready to take the action steps they need, to know who to contact and how to be guided in the process.
