Ageless Beauty: Secrets From The Masters

Time Frame: April 21

Host: Cindy Bartz, <https://www.cindybartz.com/about-cindy/contact/>, info@cindybartz.com

This is an online Women's event, for women between the ages of 40-65. It seems there are so many women who 'give up' when they get into their mid-40's, they literally think their life is over. They don't feel vibrant, have low energy, which leads to mild to severe depression, which leads to not taking care of themselves, eating unhealthy, not exercising, etc. This online summit is to break through this stereo-type. Life may be different, but it's not over. Shot... the kids are old enough to take care of themselves, most have a handle on their career, financially most are in a better place -- which can equate to freedom. More time for one's self and for self-care, so it can be very empowering, liberating and that's what this summit is all about, inspiring women in the 2nd prime of their life. I am looking for both motivational speakers who can inspire, empower and motivate. I am also looking for speakers who are experts in health, wellness and anti-aging techniques.

Your free gift should be matching your talking topic and have its own dedicated landing page. You must be willing to promote the event by sending at least 3 solo emails, include a blurb in your newsletter and promote via social media. Remember, the more we all promote, the more will attend the event, the more people you get to add to your own list. It's a win-win situation.
