Millennial Corporate Escape Plan (New)

Time Frame: May 31, 2018, but reoccurs quarterly

Host: Hollie Tkac, 310 776 2457, hollie@hollietkac.com

Subject Matter: Here's the deal. I'm sick of seeing talented people in their 20s/30s with boatloads of debt settling to take corporate jobs making very little money with raises that match inflation. What's worse is we are due for another recession. Between that and workforce automation, many jobs will be disappearing. I know so many people in their mid-20s and 30s long for a way to make great money doing work that is location independent, but they are sitting stuck because they lack the confidence to take the leap or a clear path on how to get there.

Requirements: List of at least 5K, ideally 10K or more, must send FIVE solo mailers between 4/18 and 5/31

The Ultimate Authority Building Micro-Summit Panels (New)

Time Frame: June 7 – 10

Host: Michael Neeley, Michael@MichaelNeeley.com

Subject Matter: Creating a new form of virtual summit with panels instead of single interviews.

Looking for experts in each of the following categories:

- 5 Pro Podcasters
- 5 Virtual Summit Hosts or Experts
- 5 Professional Speakers (either keynoters or currently hosting their own events)
- 5 Published Authors (a mix of self-published and with big name publishers)

Requirements: Seeking guest experts with a minimum list size of 5,000 - but would consider a smaller # if it is an engaged list. Most important, though, is that it is the RIGHT list. As an example, if you are an expert whose audience consists of people trying to lose weight or find a relationship partner, then it is NOT a fit. Your audience needs to consist of solopreneurs – coaches, consultants, authors, speakers, holistic healers – people who want to grow their authority and go from the best-kept secret to the go-to expert. Each guest will have the opportunity and even be encouraged to offer a free gift of some sort – your best business lead-magnet. This, though, will be limited in two ways: 1) it cannot be in promotion of a live event, and 2) you won't be able to talk extensively about your offer (no more than 3 minutes of panel time); however, we will promote the heck out of it in the email blasts and on the website. Guest Experts will be expected to send a solo email at least twice and to promote on all of their social media channels. You will also be expected to show up as scheduled and participate fully while trying to keep your answers succinct (two to three minutes, tops). This is super important because it is a "shared" panel. The Micro-Summit, by nature, is designed to give constant bite-sized nuggets of wisdom.
