Audacious Leader's Summit

Time Frame: Oct. 13, 2021

To Submit <https://app.eventraptor.com/events/13>

Subject Matter: Audacious leaders are daring and bold. They have the humility to know that life-long learning is the path to success and the fortitude to know that the more they know, the more they don't know. Welcome to the Audacious Leader's Summit. Like any summit, it takes work to climb to where leaders want to be. In the spirit of abundance, this summit is designed to help people move the needle on their personal development giving them the tools, tips and techniques to make them better leaders, and better business operators. We pride ourselves on providing high-value content that attendees can apply immediately to their business. The theme of the summit is Professional / Professional Development and Business and Operations Development, solving some very real problems. Time management, labour relations, HR best practices, business building, etc. The summit features panel discussions, interviews and concurrent sessions for the attendees to choose from. A successful presentation helps move leaders from, "I didn't know I didn't know this." to... "Now I know I don't know this... and now I know where to find a resource (you, the presenter). Our non-sales sessions focus on not only providing the high-value learning, but to spotlight the presenter as the expert. As much as we encourage our presenters to mention what they do within their stories, and send attendees to their lead magnets, self-promotion and program promotions will not be allowed.

Revolutionary Parenting Conference

Time Frame: October 19-21, 2021

Host: Karen Dela Cruz, revolutionaryparentingcon@gmail.com

Subject Matter: Parenting experts, experts who serve parents in their parenting journey, experts who work with parents of young children. Revolutionary parenting begins with the idea that your child is a fully autonomous human being. This is a worthy ideal, but how does one actually do it? How do we break the patterns of our own childhoods and re-parent ourselves so that we can support the inherent dignity of our children, just as they are? Join 15 experts in workshops, lectures and community sharing designed to support your journey into this complex and challenging topic. Our audience is comprised of parents of young children (0-8 years old) who are looking for help in their parenting journey.

U.S. Nanny Association Parent and Nanny Virtual Conference, 2022

Time Frame: September, 2022. Apply this year for next year's conference

Host: Elizabeth Malson, 941-773-9020, info@usnanny.org

Subject Matter: Early Childhood Educators, Small Business Experts, Parenting

The U.S. Nanny Association hosts a popular online conference (in English and Spanish) each year for parents, nannies, nanny agency and childcare business owners. The online conference is on-demand so speakers record their 1-hour seminars in advance (i.e. Zoom). We do not have a speaker fee budget but we promote our speakers on social media and speakers get free conference attendance. Speakers also share their business during their introduction and for up to 2 minutes at the end of their presentation. We actively accept and record speakers. You can see our latest lineup on our website.

<https://www.usnanny.org/conference>

Requirements: Must have extensive education and experience in field to be a subject matter expert. Want to deliver/teach content not just promote a product or service.

Beyond the Veil Summit

Time Frame: Oct. 11-15

Host: Lisa Bonnice

Subject Matter: The boundaries which divide Life from Death are at best shadowy and vague. Who shall say where the one ends, and where the other begins? — Edgar Allan Poe What lies beyond this life? What happens after we die? Can we connect with loved ones after they've crossed over? How can we receive solace and closure on this side of the veil when a loved one passes through to the other side? The world around us has changed dramatically in the last year. Many of us have faced more death and loss than ever before, which can lead to fear, trepidation, and deep sorrow. But what if we were to view death differently?

Fantastic Fungi Global Summit

Time Frame: Oct. 15-17

Host: Louie Schwartzberg

Subject Matter: A movement and revolution that is BOOMING right now! In fact, it is its own entire Kingdom. It's not a plant and it's not an animal. It is the oldest record of a multicellular organism found on earth over 2.4 billion years ago! It heals you, reveals nature's mysteries, helps save the planet and has empowered consciousness and mental health for years. You've most likely been hearing about it lately ...And, you can have access to it ... *It's the Power of Mushrooms!*
